

ASSEMBLY BILL

No. 1722

Introduced by Assembly Member Nunez

February 22, 2005

An act to amend Section 66907.4 of the Government Code, relating to the California Tahoe Conservancy.

LEGISLATIVE COUNSEL'S DIGEST

AB 1722, as introduced, Nunez. California Tahoe Conservancy: acquisition of real property.

Existing law establishes the California Tahoe Conservancy as a state agency within the Resources Agency and authorizes the conservancy to select and acquire real property or interests therein in the name of and on behalf of the state for the purposes of protecting the natural environment, providing public access or public recreational facilities, preserving wildlife habitat areas, or providing access to or management of acquired lands.

Existing law provides that an acquisition of real property or an interest in real property by the conservancy is subject to the Property Acquisition Law when the value of the property is in excess of \$250,000 per lot or parcel.

This bill would increase that amount to \$500,000 per lot or parcel.
